Assoc. Prof. Usa Chaikledkaew, Ph.D.
Deputy Dean for International Relations
Faculty of Pharmacy, Mahidol University

Dear **Assoc. Prof. Usa Chaikledkaew**,

Greetings!

I am **Savina Janelle O. Ong**, a student of the **5th year Clinical Pharmacy** class of the **Faculty of Pharmacy** of the **University of Santo Tomas (Philippines)**. I have obtained news that your respectable institution opened its doors for the **Mahidol University** and **UST Faculty of Pharmacy – Pharmacy International Student Mobility Program**.

In line with this, I would like to communicate my profound intentions to participate in the Pharmacy International Student Mobility Program. This program has strongly appealed to me in that acceptance would automatically be an opportunity to become a scholarly delegate at such a young fruitful age, particularly, a career booster path that not many were fortunate enough to partake in.

Having had close interactions with the Mahidol Pharmacy students who visited last July – August 2014, I realized how invaluable student exchange programs can be. The students shared with us their experiences in their previous overseas study travels and how much they have gained in terms of professional and character development, as well as, in how to independently handle and prepare for adult life. This program will also allow me to have another chance to bond with our Mahidol University Pharmacy student – friends and have a taste of the authentic Thai culture.

I truly hope that you could support me in this endeavor. Thank you.

Sincerely,

Savina Janelle O. Ong
