Degree Program Maschinenbau - Mechanical and Process Engineering, M.Sc. Maschinenbau - Mechanical and Process Engineering

TECHNISCHE UNIVERSITÄT DARMSTADT

Name: Berger, Stefan Arnd
Date of birth: 1992-09-05
Registration number: 2013985

Technische Universität Darmstadt
Karolinenplatz 5
64289 Darmstadt
Printed: 2018-02-01

Examination	Grade	CP*	Examiner	Date
M.Sc. 2014 Maschinenbau - Mechanical and Process Engineering		**35,0**		
ADP (6 CP) Automotive Engineering Design of a Safety System to Prevent Crashes on a Measurement Motorcycle	1,70	6,0	Winner, H.	2017-06-30
Electives Area I				
Interlinked Product Creation Processes	2,00	6,0	Abele, E.	2017-07-25
Electives Area II: Core Electives from Mechanical Engineering				
Energy Systems II	1,30	4,0	Epple, B.	2016-07-27
Energy Systems III (Low-emission power plant technologies)	1,70	4,0	Epple, B.	2017-08-08
Design with Advanced Composite Materials II	2,30	4,0	Schürmann, H.	2015-09-14
Lightweight Engineering I	3,00	4,0	Mittelstedt, C.	2017-08-23
Electives Area III: Electives from the Natural Sciences and Engineering				
Basics of Economics for Engineers	1,70	4,0	Metternich, J.	2016-07-19
Generale Studies				
English for Industrial Engineering II	1,30	3,0	Anderton, J.	2017-07-18
Co-curricular requirement				

Technische Universität Darmstadt Fachbereich Maschinenbau

In accordance with degree program guidelines, the current cumulative grade point average is calculated to be: 1,88
The general examination is not completed yet.
*) The total credits refer to all academic achievements, including additional course achievements not related to the chosen degree.
This document was created automatically and is valid even without signature or seal.

Grading scheme: 1,00 - 1,59 = very good; 1,60 - 2,59 = good; 2,60 - 3,59 = satisfactory; 3,60 - 4,09 = sufficient; for an average from 4,1 = failed; passed (without grade); failed (without grade)

This transcript of records lists passed examinations only and does not imply the right to further examinations.
