Assoc. Prof. Usa Chaikledkaew, Ph.D.
Deputy Dean for International Relations
Faculty of Pharmacy, Mahidol University

Dear **Assoc. Prof. Usa Chaikledkaew,**

Good day Madam Chaikledkaew. I am writing this letter of intent to your good office in order for me to express how grateful I am to be part of your Student Mobility Program, and how willing I am to learn and experience the culture in Thailand. I believe that with this program, I will be a successful Pharmacist one day because this program will make me a well-rounded person.

I am the current Science and Technology Editor of The Varsitarian (The Official Student Publication of the University of Santo Tomas) and it's an honor for me to write about this wonderful opportunity the Mahidol University, in partnership with UST, have given me. When this program ends, I will share my experiences to others who are also dreaming to be part of your program someday.

I will actively participate in your activities in the university so that I can maximize my stay in Thailand.

Hoping for your most favorable response!

Sincerely,

HEDRIX AR-AR DELA CRUZ CABALLE
