Deputy Dean for International Relations
Faculty of Pharmacy, Mahidol University

Dear **Assoc. Prof. Usa Chaikledkaew**,

I am Aleanor Josyl C. Trinidad, 5th year Clinical Pharmacy student, and I would like to express my strong interest in participating in the incoming Pharmacy Student Mobility Program in Mahidol University, Thailand. This is my last year of studies and afterwards I intend to be a pharmacist in my country, so I find this experiece relevant to my future career.

I believe that this program will mean a lot in enhancing my future career in the field of pharmacy through observing and understanding how your country practice pharmacy in different areas and be able to apply it in my country. Also, participating in the program by having the chance of experiencing living in Thailand and studying in Mahidol University for a short period of time would help me develop as an individual.

It is such an honor for me that I am accepted in the said program in your university. I can assure you that I would be a commited participant in all the actictivities of this Student Mobility Program.

Hoping for your most favorable response!

Sincerely,

ALEANOR JOSYL C. TRINIDAD
