Assoc. Prof. Usa Chaikledkaew, Ph.D.
Deputy Dean for International Relations
Faculty of Pharmacy, Mahidol University

Dear **Assoc. Prof. Usa Chaikledkaew,**

Good day Madam Chaikledkaew. I am writing this letter of intent to your good office in order for me to express how grateful I am to be part of your Student Mobility Program, and how willing I am to learn and experience the culture in Thailand. I believe that with this program, I will be a successful Pharmacist one day because of the professional experience that I gained at Mahidol University.

I am the current President of the Junior Pharmacist Association and also the Executive Vice President of the Federation of the Junior Chapters of the Philippine Pharmacists' Association. It's an honor for me to share my experiences that I'm going to have and a chance to promote how good it is to have a student mobility program when I go back in the Philippines. At the end of the program, I know that I will be a changed person again, not only in my personality but on my professional learning's as well.

I will actively participate in your activities and obey all the rules and regulations in the university so that I can maximize my stay in Thailand.

Hoping for your most favorable response!

Sincerely,

RICHARD G. FERRER
