Certification of study for:
Johanna Vera Hartmenn
Mat: 3352642

Dear Sir or Madam,

Ms Johanna Vera Hartmann is regularly enrolled in the Bachelor programme of the international study course Environmental and Resource Management at BTU Cottbus - Senftenberg.
She started her studies in October 2013 and is currently in her fourth semester. The study programme takes six semesters corresponding to three years. The English language is the teaching language of the study programme "Environmental and Resource Management". All lectures, seminars, presentations and exams are been held in English. Ms Hartmann intends to apply for a mandatory semester abroad at the Mahidol University in Thailand for winter semester 2015/2016.

For further questions I will be at your disposal.

Best regards,
