June 25, 2015

Usa Chaikledkaew, Ph.D.
Associate Professor and Deputy Dean for International Relations
Faculty of Pharmacy, Mahidol University
Bangkok 10400, Thailand

Dear **Assoc. Prof. Usa Chaikledkaew,**

Greetings!

I am **Bea Carmel Heruela Casiding,** a student in Bachelor of Science major in Clinical Pharmacy, 4th year level. I am writing to express my interest in the Student Mobility Prrogram offered by the Faculty of Pharmacy to represent our University as an exchange student in Mahidol University, Thailand.

My academic records reflect my diligence, dedication, and value for good academic standing. I was in the Dean's List for academic excellence during the following academic years: 2011-2012 (2nd semester), 2012-2013 (1st semester), 2013-2014 (1st and 2nd semester) and 2014-2015 (2nd semester).

Also, I have performed leadership responsibilities. I was a member of the Clinical Pharmacy Society (CPS) Executive Board, with the position of Assistant Treasurer, Academic Year 2014 - 2015. Also, I am the Senior Preceptor of Mamamayang Ayaw sa Dengue (MAD) Clinic, one of the clinics of the Clinical Pharmacy Society, that aims to educate about and promote Dengue awareness and prevention on the university's adopted communities.

I am striving to become a better student of Clinical Pharmacy. I applied in the abovementioned program and was blessed to be qualified. I have confidence in the partnership of the Faculty of Pharmacy UST and Mahidol University that through it, I will be able to achieve excellent and high quality learning and training which will be my foundation as a Clinical Pharmacist. I am very certain that this program will expose me to different avenues not only those that are in line with my career path but also to the improvement and enhancement of my character and strong points.

In the event that I shall be given an opportunity to represent my University, I promise to perform excellently and to conduct myself in an exemplary manner.

Thank you very much.

Respectfully yours,

Bea Carmel H. Casiding
B.S. Pharmacy (Major in Clinical Pharmacy) Student
