Assoc. Prof. Usa Chaikledkaew, Ph.D.
Deputy Dean for International Relations
Faculty of Pharmacy, Mahidol University

Dear **Assoc. Prof. Usa Chaikledkaew**,

Greetings!

I am **Anescia Belle N. Francia** from the class of 5 Clinical Pharmacy at the **University of Santo Tomas**. With this letter, I would like to express my strong interest for participation at the Pharmacy International Student Mobility Program between the University of Santo Tomas and the **Faculty of Pharmacy, Mahidol University**. As an incoming graduate, I aim to gain an international experience in the field of pharmacy and this would give me a privilege for my professional aspirations.

For the past four academic years, I have recently completed my 4 internships in a community pharmacy, a manufacturing industry and two hospital pharmacies within the area of Metro Manila. During these trainings, I have practically mastered my skills such as: recording prescriptions in pharmaceutical software, dispensing medications such as dangerous drugs, practiced the unit dose drug distribution system, compounded different pharmaceutical preparations and perform assays for different compounds. Alongside, working with different people has broadened my talent of communication and proficient English speaking skill. I believe that my experiences as well as my academic studies would greatly contribute to my candidacy for your program.

I have also been a consistent participant of our organization, the Clinical Pharmacy Society, which aims to expand more research about different diseases and was divided into respective clinics. As a Senior Preceptor of the Hypertension Clinic, I was motivated to enhance my knowledge and proficiency in the fields of Pharmaceutical Care and Research.

With your program, I believe that it will enhance my future career in the field of pharmacy. I will do my utmost best to adjust to your facilities and courses and to learn from your anticipated activities. I am looking forward to your most favorable response!

Faculty of Pharmacy
University of Santo Tomas
España, Manila

Sincerely,

Anescia Belle N. Francia
BS Pharmacy (Major in Clinical Pharmacy) Student
