To Whom It May Concern:

It is with pleasure that I write in support of Virginia Tech student Matthew Lee for study at Kasetsart University for Fall 2015. He is a degree-seeking student in excellent standing at Virginia Tech, and has completed the necessary steps to spend the fall abroad. Moreover, I am confident that he will be a good student and contribute positively to Kasetsart while he is there.

Thank you very much for your attention, and for your consideration of his application. Should you have any questions, please do not hesitate to contact me using the information listed below.

Sincerely,

Rachel Fitzgerald
Assistant Director for Program Management
