To whom it may concern

I am pleased to write a letter of recommendation for Dr. Md. Ibrahim Rahman Rume. I highly recommend Dr. Md. Ibrahim Rahman Rume, who is applying for the Summer MSc (Public Health) course at your University.

I have known Dr. Md. Ibrahim Rahman Rume for two years in my capacity as a director at National Institute of Preventive and Social Medicine (NIPSOM). Dr. Rume took Master of Public Health (MPH) in Occupational and Environmental Health from this institution in 2013-14 sessions. This program had been started on July 2013 and has been finished on March 2015. He earned good grades in classes. Based on Dr. Rume's grades, attendance and class participation, I'd rate Dr. Rume's academic performance as superior at my institution.

I would highly recommend Dr. Rume for this course. If his performance in my institution is any indication of how he will succeed, Dr. Rume will be a positive addition to the course. I have the deepest personal and professional respect for him and sincerely belief he will bring his unique energy, optimism, passion and tireless creativity to your class and classroom. He has my highest endorsement. If you have any questions about this recommendation or my endorsement of Dr. Rume, please do not hesitate to contact me and I will gladly try to help.

Kind regards and best wishes for a successful MSc class.
