To whom it may concern,

I am writing in support of Ms. Kana TOMOMATSU who wishes to enter Mahidol University on a year exchange program. As vice director of the International Center I have had ample opportunity to observe her involvement in the internationalization of our campus.

As is apparent from her academic transcript, she is an excellent, strongly motivated and dedicated student (3.1GPA). She has a genuine interest in Thailand and on campus has demonstrated her ability for cooperative leadership. She has a balanced personality, a great sense of humor, is serious about her studies and always tries to be pro-active.

She already has a clearly defined plan as to how to approach her studies at Mahidol University. I have a strong confidence in this applicant and consider her to be an excellent candidate for student exchange.
