A dynamic and hardworking first year Law student, with a proven record of achieving goals and working well in teams. Willing to invest real energy and effort to pursue a career in the legal industry.

WORK EXPERINCE

Reception Administrator in The Avon & Bristol Law Centre – Present job from January 2019:

- Take calls from potential clients, assess their area of law and if it is something we can take, pass the case to the appropriate solicitor, or signpost to a different organization.
- I have demonstrated empathy to client's needs and discretion when dealing with confidential information.
- I have increased my problem solving abilities when dealing with complicated matters.

1 Week Paid Work Experience in Eversheds Sutherland– Birmingham – December 2018:

- I covered several practice areas: environmental and health law, real estate litigation, corporate law and finance product.
- I showed attention to detail when conducting administration tasks, including preparing case bundles, and proofreading contracts.

Telephone Fundraiser for the University of Bristol – present Job from October 2018:

- I call Bristol alumni, build a rapport with them and based on the information they give me, I pitch the appropriate project and ask for a donation.
- I have developed excellent oral communication and skills when talking to the alumni.

Legal Social Mobility Week - Leeds - July 2017:

- I was part of the in-house legal departments of BT, Plus Net, Financial Providence, itv and Leeds Rhinos.
- Shadowing the lawyers in those companies and understanding the functions of lawyers in a non-legal setting.

1 Week Work Experience in Squire Patton Boggs – Leeds - April 2017*:*

- I shadowed solicitors in 3 different departments: IPT, Labor and Employment and Corporate.
- I demonstrated excellent written communication skills when writing emails and drafting letters for clients.

1 Week Work Experience in DLA Piper – Leeds - February 2017:

- I achieved commercial awareness skills, by obtaining an understanding of the legal industry.
- I developed excellent teamwork skills, when preparing and presenting a mock pitch with my colleagues for a potential client. We were within the best teams.

ACHIVEMENTS

Vice President of the Unity and Diversity in Law Society – present job from November 2018:

- I was promoted to be the vice president from the Operation's Assistant position.
- I manage all our teams in conjunction with the president. Come up with new projects and make sure they become a reality.
- My leadership skills have significantly developed. We transformed our committee into an University society in March 2019.

Bristol Plus Award - 2019

- I undertook more than 120 hours of working alongside my first year Law degree, completed an online course in innovation and enterprise, and attended training on topics such as commercial awareness.
- Less than 5% of Bristol Students complete this award each year.

Extended Project Qualification – 2018

- I conducted a research project, generating 5,000 words essay on "Immigration and Britain today".
- This significantly improved my writing abilities. I achieved the maximum amount of marks, 50 (A*).

Awarded Best Step Up Programme student of the year - 2016 - during my GCSEs.

- I diligently applied myself throughout the year.
- I helping to support other students as group ambassador and with the Student's Union.

NUS delegate for Leeds city College – *Brighton - 2016*

- I was elected by students to be their delegate at the national conference.
- I had the responsibility to communicate the concerns and ideas of the students I was representing.
