Volunteer & leadership experience

Global Perspectives – Cambodia 2014 to 2017

Leader

I lead a team of 40 students to Baray, Cambodia while managing the project budget, itinerary and lesson plans. During the trip I liaised with hosts and taught in Primary and Secondary schools.

Cult Film Club 2014 to 2015

President

My team and I organised monthly screenings of cult films to introduce less known movies to students and encourage an appreciation for Asian cinema.

Photography Crew 2011 to 2015

Leader

As a school photographer, I had the opportunity to shoot performances and direct photoshoots. In 2014 I led a photography workshop. In 2016 my works were exhibited.

Overseas exchange & research experience

Overseas Immersion Program – Suzhou and Shanghai, China 2013

I had the opportunity to learn more about Chinese culture and art from students at a local high school for art.

Research in Southeast Asia – Phuket, Thailand Feb 2019

My research explored power structures within Thai society through the lens of the transportation industry. We examined how tensions between Grab and tuk-tuk drivers were suppressed within a complex network run by the parallel state.
