27 June 2019

Dear Professor Mathuros Tipayamongkholgul,

It's our great pleasure to formally invite you to be the advisor of Mr. Chia-Ping, Lin- the master student of Master Program in Global Health and Development of Taipei Medical University for his research entitled "Relationship between work stress, social support and health risk behaviors among domestic and migrant Thai workers".

As you are aware, this study aims at understanding the work stress, social support and health risk behaviors among Thai workers in Thailand and Taiwan. For conducting the research, he has to collect data both in Thailand and Taiwan which required supervision from both sides. Based on your fruitful experience in this field and the MOU between Mahidol University and Taipei Medical University for research collaboration, I would like to invite you to be the advisor for Mr. Lin's study in Thailand.

Thank you for your time and consideration in this matter. If you require any further information, please feel free to contact me.

Sincerely,

Nai-Wen Kuo, Ph.D., M.P.H
Dean, College of Public Health
