PROF. ALETH THERESE L. DACANAY, PhD
Dean
Faculty of Pharmacy

Dear **Dean Dacanay:**

Greetings in the name of Saint Thomas Aquinas!

I am Luna Margarita Ortiz, a fourth year student currently taking up Medical Technology in the Faculty of Pharmacy.

I would like to express my intention to join the Mobility Program for Medical Technology interns this academic year 2019-2020 in Mahidol University. I believe that this program will not only teach me about the different aspects that encompass the field of Medical Technology, but also enrich my understanding of different cultures and expand my knowledge of other nations.

Through this program I hope to understand what it means to represent the esteemed Faculty of Pharmacy to another country and hopefully bring pride to our beloved university.

I am hoping for your most favorable response. Thank you very much.

Respectfully yours,

LUNA MARGARITA ORTIZ
